

provider of premier class scheduled air service from San Juan, Puerto Rico and St. Thomas, USVI. First class flights are scheduled to connect with most inbound and outgoing flights from all over the world, allowing for a convenient and smooth transfer to St Barth.

Private charter service is also available to and throughout the Caribbean, including Anguilla, the British Virgin Islands, the Dominican Republic, St. Lucia, Nevis, Antigua, and Mustique.

The Tradewind Aviation fleet, consisting of Pilatus PC-12s, Grand Caravans and Citation Jets, is the newest in the Caribbean with air-conditioned, jet-style interiors and capacity for a full complement of luggage. All flights are conducted with two pilots, VIP service and complimentary snacks and beverages.

Tradewind Aviation is US-based FAA regulated Carrier with an impeccable record of safety and reliability.

Profile: 10 daily scheduled flights (in season) between St. Barthélemy and both San Juan and St. Thomas, modern turbine powered aircraft, two fully qualified and experienced pilots on every flight, complimentary beer, wine, champagne and snacks onboard. St. Barthélemy scheduled service operates from October 26, 2011 through May 6, 2012 and resumes October through May 2013.
