

JADE MOUNTAIN

Rising majestically above the 600-acre beachfront estate of Anse Chastanet, Jade

Mountain is a cornucopia of organic architecture celebrating St. Lucia's stunning scenic beauty. Grand sweeping spaces encompass where the bedroom, living environment and extravagantly sized infinity pool glide into one another to form an amazing plateau floating in space. With the 4th wall missing entirely in each of the sanctuaries, a stage-like setting embraces the full glory of St. Lucia's World Heritage Pitons Mountains and the shimmering Caribbean Sea - a view likely to never be forgotten.

Integral to the sanctuaries is the Jade Mountain Club where guest dine on "Jade" cuisine. Hovering above is the Celestial Terrace, ideal for sunset cocktails or evening stargazing, Jade Mountain sanctuaries are deliberately techno-free - no telephones, radio, or television. The resort's major domos together with a dedicated service team are available around the clock. Forget the outside world and float away into a mesmerizing resort experience.

Profile: 24 infinity pool sanctuaries and 5 jacuzzi suites, no children under age of 15, resort privileges at Anse Chastanet, 2 beaches, 2 restaurants/ bars, scuba center, bike center, art gallery, spa, fitness center, watersports, boutiques and internet access at reception desk only. Located 75 minutes from Vigie Airport (SLU), flights from San Juan and 60 minutes from Hewanorra Airport (UVF), with nonstop flights from major east coast cities. Open year round.
