

ALILA VILLAS ULUWATU

Uluwatu is a gem of Bali. A centuries old Hindu Temple sits majestically atop a dramatic cliff, with wild waves of the ocean crashing tantalizingly on the rocks below. Nearby, set discreetly some 300 feet high on the same cliff, sits Alila Villas Uluwatu, an architectural gem. Alila Villas Uluwatu offers the same spectacular views that the gods found at Uluwatu Temple, and like them, guests can enjoy the most spectacular sunsets. Elements of the dramatic terrain are visible throughout the resorts' award-winning, Balinese-inspired design, which is ardently embraced by the surrounding natural environment.

In addition to being luxuriously appointed with modern amenities, the expansive, contemporary styled villas serve as private sanctuaries with individual pools and cabanas, all with views overlooking the azure Indian Ocean. Each villa is staffed by a butler, providing exceptional service.

Guests delight in modern western cuisine at the elegant CIRE and authentic Indonesian fares at The Warung in a casual setting. Balinese massages are just one of the sensory experiences available at The Alila Spa where expert therapists renew the mind and body with a variety of indulging Asian spa treatments.

Alila Villas Uluwatu combines the best of Bali with outstanding service and amenities. No wonder guests dream of returning, from the moment they leave.
