

FOUR SEASONS RESORT MALDIVES AT LANDAA GIRAAVARU

*F*our Seasons Resort Maldives at Landaa Giraavaru is secluded in the remote

Baa Atoll, a UNESCO World Biosphere Reserve. The island's 44-acre interior is flanked by white sand beaches and a lagoon, just over a mile wide.

Vast accommodation compounds and isolated restaurants, amidst dense jungle paths maximize the sense of privacy and discovery. Contemporary thatched accommodations - on the beach or over the lagoon - feature spacious gardens, private pools, outdoor living rooms and sea-viewing lofts.

Guests can immerse in the healing heart of The Spa and Ayurvedic Retreat – with all-inclusive 7, 14 and 21 day programs, supported by two ayurvedic physicians and cuisine. The resort offers four diverse restaurants - all with ayurvedic options - complemented by numerous specialty options, from “mid-ocean” platforms to candle-lit feasts on remote sandbanks. The Marine Discovery Center offers pioneering research projects, as well as coral reefscaping and the country's only full-time manta ray project. Snorkeling with mass gatherings of manta rays and whale sharks is available from June to October, at Hanifaru Bay, just a 20 minute speedboat ride from the resort.

Profile: 102 bungalows and villas, children under 6 free in parents' room, (water accommodations are not recommended for children below 8 years old). 6 restaurants and bars, 24 hour in-villa dining, 4 pools, Kuda Velaa Kids' Club, Majaa Maizan Young Adults' Club, Spa and Ayurvedic Retreat, Marine Discovery Center, licensed PADI dive center, watersports, health club and tennis. Located in the Baa Atoll, 30 minutes via seaplane from Malé International Airport (connect from US with nonstop flights through Doha, Dubai, Europe and Singapore). Open year round.
