

SONEVA FUSHI

ultimate island experience. A little off the beaten track, the adventure begins with a thirty-minute seaplane journey from Malé. Just sixty-five villas adorn this island, surrounded by a coral lagoon, with each villa relaying into its very own stretch of white sand beach.

Here guests enjoy “Intelligent Luxury” with activities or do nothing at all. Families will find an idyllic environment for their children to run freely. Dining is a memorial experience with organic offerings, simple barbecues, gourmet feasts and romantic escapades – all complimented by an amazing wine cellar.

Excursions are available to explore neighboring island villages. Divers will enjoy the excellent diving, enhanced by the professional diving school. For a celestial experience, guests can watch a classic film under the stars with popcorn and cocktails at the open-air Cinema Paradiso and also experience magnificent views of the starry sky at the “Ever Soneva So Celestial” observatory, in the organic garden with the striking Meade RCX400 telescope. The wonderful Six Senses Spa offers a menu of rejuvenating and holistic treatments to calm the mind and body. Whether staying a week or staying two, guests will be spoiled for a lifetime.

Profile: 65 rooms and villas (some with private pools) with DVD, children under 3 free in parents’ room, library, boutique, Six Senses Spa, gym, pool, fully-equipped dive center, watersports, tennis courts, volleyball, and bicycling. Located on an atoll, 30 minutes by sea plane from Malé International Airport (connect from US with nonstop flights through Doha, Dubai, Europe and Singapore). Open year round.
