The InterContinental Bora Bora Resort & Thalasso Spa is a spectacular hotel located on Motu Piti Auu and anchored between the ocean and the lagoon by an extraordinary stretch of white sand beach, facing the pinnacle of Mount Otemanu. This luxurious resort sets a benchmark in elegance and impeccable service. Polynesian inspired, the hotel’s elegant and contemporary décor heightens the unique wealth of the lagoon’s colors. The expansive overwater villas include a living room with a glass bottom coffee table to view marine life, a bedroom and bathroom with lagoon views, and modern amenities.

Each large shaded terrace is equipped with sun-beds and a dining table. The sundeck below has a fresh water shower. This luxurious establishment prides itself on being the first to offer deep sea water thalassotherapy at the Deep Ocean Spa by Algotherm and the first to preserve the natural environment by using cool deep sea water for the entire resort’s air-conditioning system. These ecological developments are aimed at a sustained and harmonious development of this ‘pacific pearl’.
