

ONE&ONLY OCEAN CLUB

The Ocean Club is renowned for its legendary sophistication and contemporary elegance, emphasizing gracious hospitality to a fine art form with personalized butler service available 24 hours a day.

The One&Only Ocean Club is situated on Paradise Island in the Bahamas, a private estate edged by miles of delicate white sand beach. The Colonial style architecture and the terraced gardens are inspired by Versailles, framed by the arches of an original 12th-century Augustinian cloister. The main restaurant acclaimed by Chef Jean-Georges Vongerichten, creates a distinctive menu of French-Asian cuisine with Bahamian influences. Guests can enjoy drinks and afternoon tea in the library which portrays a lovely panoramic view of the ocean. Asian spa services are performed in individual Balinese-style villas, each with a private open-air garden.

The resort has its own 18-hole Tom Weiskopf-designed championship golf course, surrounded by ocean or harbor on three sides. Other activities abound for the active guest.
