

HERMITAGE BAY

owned all-inclusive resort offers guests a romantic, tropical hideaway. Hermitage Bay comprises of 25 spacious, freestanding Cottage Suites, 8 on the beach and 17 on the hillside with private plunge pools and sunbathing decks. Nestled on a spectacular bay edging the turquoise water of the Caribbean against a backdrop of terraced gardens, the suites are flanked by over 140 acres of lush unspoiled land.

The setting evokes the sense of a personal private island. The friendly, attentive staff focuses on providing discreet service, ensuring guests' needs are met at all times. This ultra-luxurious all-inclusive resort, brings the clean lines and conveniences found with contemporary décor and design, yet remains true to its Caribbean location with organic, locally sourced gastronomy, and utilizing indigenous building materials, natural color schemes, and non-invasive development techniques. The result: a natural, sophisticated retreat for those looking to unwind and become reacquainted with their environment and the one they are with.
