Caribbean
GRENADA

Resting on Grand Anse Beach in Grenada, Spice Island Beach Resort is an elegant and luxurious all-suite boutique resort. This remarkable property stays true to its metaphorical name by adding a “touch of spice” to each guest’s experience. The suites located along 1,600 feet of pristine white sand beach, provide an awe-inspiring view of the ocean.

Located seaside is Oliver’s Restaurant, offering locally infused international cuisine in a fine dining environment with entertainment by the best of Grenada’s calypso, reggae and steel band sounds.

The Sea and Surf Terrace & Bar is an excellent spot to indulge for afternoon tea or evening drinks. For interactive activities, complimentary watersports such as hobie-cats, snorkeling and kayaking are available together with rainforest walks for the more adventurous. The Nutmeg Pod is an outstanding Children’s Activity Center.

Spice Island continues to be named a Coveted Green Globe Certified Resort, practicing eco-friendly methods ranging from solar heating to natural composting and paper recycling. A testament to the co-existence of man and nature.

Profile: 64 suites- including 17 with private pools, children’s center, private lawn gardens, golf, tennis, cycling, complimentary watersports, scuba diving, afternoon tea, babysitting service at additional cost, state-of-the-art Cybex equipped fitness center, LCD television with DVD player, iPod docking station and complimentary room service. Located on the beach, 10 minutes from Maurice Bishop airport, with nonstop flights from New York and Miami. Open year round.
