

FOUR SEASONS RESORT LANA`I AT MANELE BAY

Perched on red lava cliffs overlooking Hulopo'e Bay (often named as the most beautiful shore in the USA), this member of the Four Seasons portfolio in Hawai'i offers guests an idyllic oceanfront retreat that embraces the refinement of Asia and the romance of the Mediterranean through its architecture, landscaping and luxurious accommodations. The resort is a haven for those who crave numerous recreational activities, gourmet cuisine and the promise of rejuvenation.

Four Seasons Resort Lana`i at Manele Bay is perfectly situated for guests to explore the island's spectacular coast, where Hawaiian spinner dolphins and humpback whales play seasonally. Guests can fill their days with golf at either The Challenge at Manele or The Experience at Koele. Four-wheel drive adventures, horseback riding, sporting clays, archery, tennis, snorkeling, spa treatments, and scuba diving are also available.

For families, a supervised program for children provides the convenience of being able to make independent plans. And for those who seek a sumptuous taste of the islands, the restaurants blend the best of Hawai'i's homegrown products with classical European and Asian flavors.
